Dear Parents

So, that is another year all but over. It has been a difficult year, with changes of staff in KS2 and building work that was started and not finished. However, we survived thanks to the great support of everyone connected with Sacred Heart.

Next year is looking more positive, with no staffing vacancies anywhere in school. There will be building work outside Early Years over the summer - this will start on Saturday. I am also hopeful of some work on the KS2 corridor, but this is not yet confirmed.

On behalf of all the staff at Sacred Heart, I thank you for your great support this year and wish you a good summer.

From the Chair of the Academy Council

Dear Parents

Thank you very much for your support over the past year. May I wish you a very happy summer holiday.

Mrs J Ward

www.live-kitchen.co.uk

Unless your child is in Key Stage 1 or you claim free school meals for your child, it is the parents responsibility to pay for or provide a meal for their child at lunchtime.

Free School Meals claim forms can be found on the school website or through the school office.

Milk

Anyone over 5 years of age can order a fresh carton of milk to be delivered daily, at a cost of 20p per day, by logging on to: www.schoolmilk.co.uk. Payment must be made direct to the milk company. Please see attached leaflet.

Y4 & Y5 Swimming

It is a statutory requirement that schools provide swimming lessons for children. In line with recommendations, Sacred Heart send Y4&5 swimming each week. This year the swimming session will again take place at Pontefract Baths each Tuesday morning. The first session will be: Tuesday 13th September. Children will require a one piece swimming costume and a towel. Swimming shorts must not be below the knees. They will travel to and from school by bus and be accompanied by school staff.
